Manual Dishwashing Soap

Ready To Use Formula

- CFIA Approved
- Naturally Derived Ingredients
- Mild on Skin
- Fragrance Free
- Non petroleum derived

Pro-Link Eco-Pro EP400 is a concentrated phosphate-free liquid detergent formulated for manual dishwashing using environmentally certified, naturally derived ingredients. Rich, hard-working suds cut tough grease and grime leaving dishes sparkling clean. Gentle on hands and fragrance free. Readily biodegradable (based on OCED test No. 301.D).

Directions:
2 ml per litre of water

Features:
Cuts grease quickly
Safe and will not tarnish delicate china, crystal or silverware
User friendly
Easy to dispense by pump or Venturi proportioner
Effective in hard, soft, hot or cold water
Biodegradable
Free rinsing
Safe on all water washable surfaces
Leaves no residual odour on eating utensils

Major ingredients include: Sodium Lauryl Sulphate, Amine Oxide.

When used accordingly, Pro•Link Eco•Pro Manual Dishwashing Soap conforms to ECP CCD-146K, Dish Cleaners.

KEEP FROM FREEZING.
For Food Plant and Other Industrial Use Only.
All food contact surfaces must be rinsed with potable water prior to use. Avoid contamination of food in the use and storage of this product.
